

Chemical Processor I **at Qualtek Manufacturing**

4230 N. Nevada Ave.
Colorado Springs, CO

Overview:

Qualtek Manufacturing is a family-owned business with a passion for people and quality. We are looking for an entry level or experienced Chemical Processor to join our team to help us provide the quality and service our customers deserve. Our ideal addition to the team is someone who is self-motivated, team-oriented, and ready to learn.

Why work for us:

- Opportunities for cross-training, skill development, and constant growth.
- Eligible for medical, dental, and vision benefits the first of the month following 30 days of employment.
- Formal Leadership Development Program for high-potential employees.
- Unique perks such as Educational Assistance, discounted gym memberships, and PTO for volunteering in the community.

Essential Duties and Responsibilities:

- Visual inspection of incoming product for damage.
- Racking or fixturing parts for process.
- Manually processing parts through the chemical solutions.
- Inspecting or testing parts for process conformance.
- Packaging parts for shipment.
- Documenting Inspection Plans and Production Logs.
- Other duties, as required including Chemical additions as prescribed by the Chemical Technician.
- Process Line Start-Up and Shut-Downs.

Desired Skills:

- Strong communication skills
- Infectious positivity
- Initiative
- Teamwork and collaboration
- Critical thinking and problem solving
- Time-management
- Eagerness to learn
- Professionalism

Required Qualifications:

- Able to read and write in English.
- Able to read and comprehend documented instruction.
- Able to write legibly.
- Able to perform simple math functions: addition, subtraction, multiplication, & division.
- Able to learn and use inspection equipment.
- Able to stand for long periods of time.
- Able to lift 50 pounds repeatedly throughout a 10-hour shift .
- Specific vision abilities required by this job include close vision, color vision, depth perception and the ability to adjust focus.
- High School diploma or GED.

Preferred Qualifications:

- Able to perform basic computer functions in a MS Windows environment.

Schedule:

Full-time

Monday thru Thursday, 6:00am – 4:30pm

OR

Monday thru Thursday, 4:00pm – 2:30am

How to Apply:

Please send your resume and application to Qualtek Manufacturing via email to careers@qualtekmfg.com. For questions, please email us or call 719-598-3394. Thank you for your interest!

Qualtek Manufacturing is an equal employment opportunity employer. We adhere to a policy of making employment decisions without regard to race, color, age, sex, religion, national origin, disability, sexual orientation, or marital status. We assure you that your opportunity for employment with us depends solely on your qualifications.
