Qualtek Manufacturing Recognized by Health Links™ as a Kick-Start Business

January 5, 2018 – Qualtek Manufacturing has been recognized as a Health Links Kick-Start business due to their interest and commitment to creating a culture of health and safety in the workplace.

Health Links TM, a signature program of the Center for Health, Work and Environment at the Colorado School of Public Health that recognizes businesses around the state for their excellence in workplace health and safety. <https://www.healthlinkscertified.org/resource-center> Health Links assesses businesses via an online assessment tool that benchmarks their health and safety efforts. As a Kick-Start Business, Qualtek Manufacturing made a pledge to create focused goals to help their organization advance employee health, safety and well-being.

“Qualtek has long been committed to creating a culture of caring among our team. Emphasizing health and safety through the Health Links program is one more way we demonstrate that commitment,” stated Anna Kroening, Qualtek’s EH&S Industrial Hygienist.

Qualtek is growing its custom metal services in multiple industries through local and national alliances with original equipment manufacturers and Tier One suppliers. Qualtek Manufacturing earned industry trade awards including the “Excellence in Local Industry Award” from the Colorado Springs EDC in 2011 and CoBiz Top Company finalist in 2015.

###

Qualtek Manufacturing Inc. (www.qualtekmfg.com) manufactures high quality specialty metal parts by providing vertically integrated metal stamping, heat-treating, and finishing services at their Colorado Springs location. Qualtek Manufacturing is privately held and has been in operation for more than 50 years.
