

Shipping Ticket Sample — Request Pick-Up Module

The screenshot shows the 'Request Pick-Up' module in the Visual Net system. At the top, there is a header for 'CSI Test System Customer Information Center' with a 'Logout' button. Below this, a navigation bar contains links for 'Order Tracking', 'Open Orders', 'Shipments', 'Account Status', 'Shop Mail', 'Request Quote', and 'Request Pickup'. The main form is divided into several sections: 'Pickup Information' with fields for 'Contact' and 'Requested Date/Time'; 'Container Information' with a table for three containers; 'Other Information' with a 'Pickup Instructions' text area and a 'Comments' text area. A 'Submit Pickup Request' button is located at the bottom of the form.
